THURSDAY
10:00AM—3:00PM

April Fools Day

April Fools' Day, also called All Fools' Day, is celebrated on April 1 each year¹². It is a day when people play practical jokes on each other, such as telling friends that their shoelaces are untied or sending them on so-called fools' errands¹. The exact origins of April Fools' Day remain a mystery².

Spring cleaning might not be a significant undertaking to some people, but for others, it's serious business. Some people are extremely dedicated to spring cleaning. They clean their house and garage thoroughly, spending hours each day. They clean every small space and question the necessity of each item in their storage.
